## SHOW JUMPING

Together, we can rebuild great equestrian sport in Los Angeles.

We all share the same dream: to see sport thrive again at the Los Angeles Equestrian Center. That dream is within reach.

By coming together as a community of trainers, riders, owners, and fans, we can bring it back to life.

Pacific Ridge Show Jumping is proud to launch its inaugural season. With your support, we can lay the foundation for something extraordinary, not just another horse show, but a true return to high-level, athlete-first competition in Los Angeles. In order to do so, we all have to work together.

We hope you'll join us in this mission through your support as a sponsor.

IT'S LA'S TIME FOR GREAT SPORT.

Sponsoring a show series like Pacific Ridge Show Jumping is about investing in the future of the sport, and the kind of sportsmanship we all want to see. The shows bring people together and build a community centered around friendship, professionalism, and supporting one another, both in and out of the ring. It is truly exciting to see top level sport taking shape here at home and to be a part of what PRSJ is building.

# PACIFIC RIDGE SHOW JUMPING WEEK 1 RECAP

What a week to remember. The inaugural Pacific Ridge Spring 1 officially kicked off at the Los Angeles Equestrian Center, marking the beginning of a new chapter for hunter jumper sport in Los Angeles, and it truly delivered.

From the first day, the energy across the showgrounds was undeniable. Riders, trainers, and spectators came together not just to compete, but to be part of something new and exciting. As part of a 10 week series bringing top level sport back to LA, Pacific Ridge made one thing clear. It is LA's time.

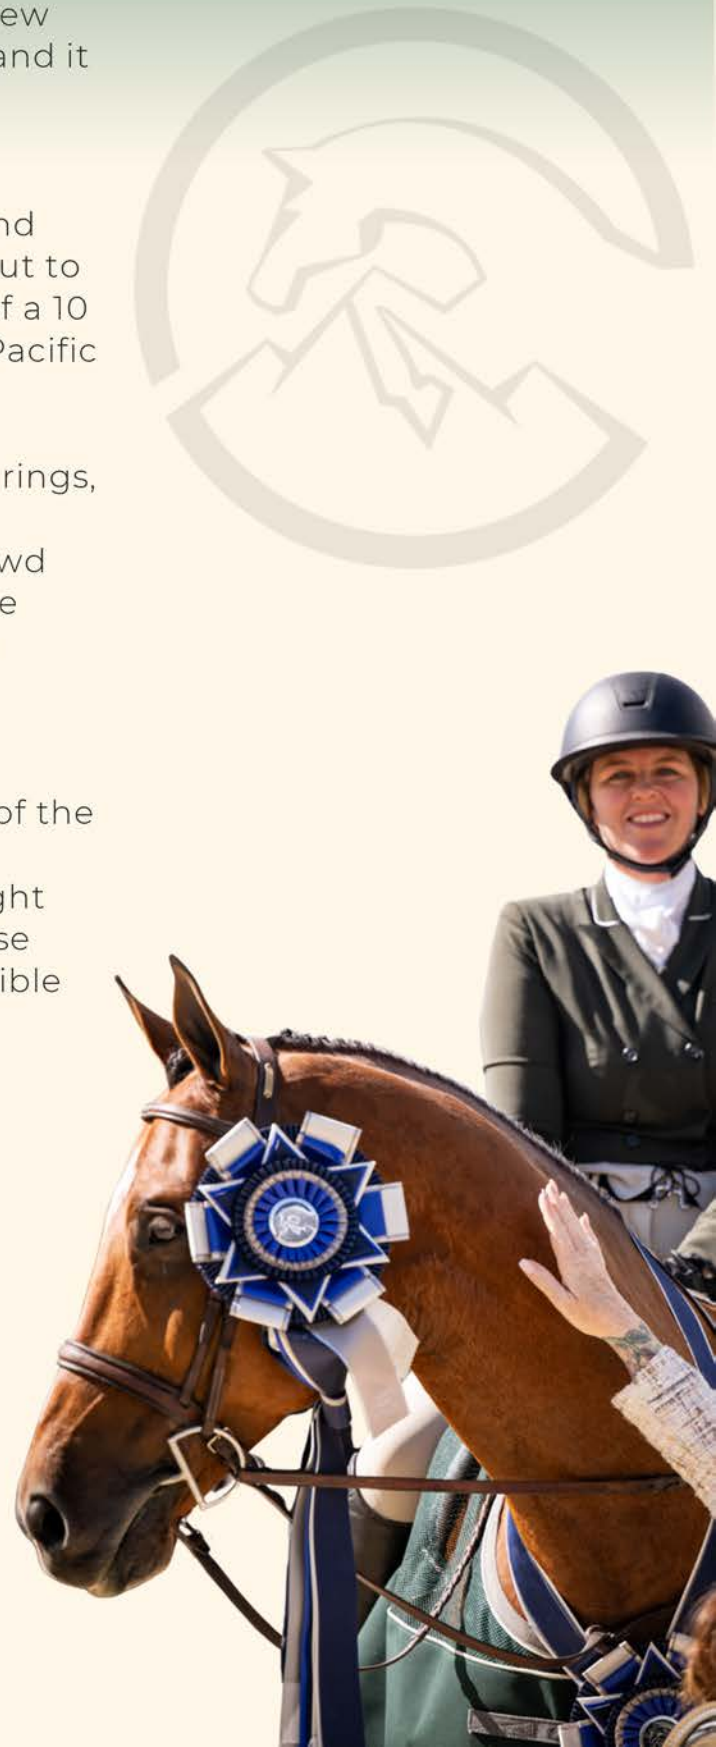

The week featured strong competition across all rings, highlighted by the \$40,000 Champion Shavings Grand Prix on Saturday night. With a packed crowd and an electric atmosphere, it set the tone for the season ahead. From young jumpers to seasoned professionals, the level of sport was impressive throughout the week.

Watching the next generation of riders was one of the highlights of the week. At Pacific Ridge, we are committed to giving every class the same spotlight because we are a horse show for every rider. Those moments matter just as much, and it was incredible to see them step up and shine.

Beyond the competition, the atmosphere made the week truly special. From busy mornings in the schooling rings to evenings spent ringside, there was a strong sense of community felt throughout the showgrounds.

As the first week of the 2026 season, Pacific Ridge Spring 1 set the tone with competitive sport, strong participation, and an energy that feels uniquely LA.

This is just the beginning, and we cannot wait to see what the rest of the season brings.

"I used to show here as a kid. It's amazing to be back at LAEC and to be winning at this first Pacific Ridge show. **I'm so happy and I'll be back.**"
